RE: Exclusion of a company from the countervailing duty order on supercalendered paper from Canada (C-122-854)

1. On 04/24/2017 (82 FR 18896), Commerce published in the Federal Register its final results of the expedited review of the countervailing duty order on supercalendered paper from Canada.
2. In the final results, Commerce determined a de minimis countervailing duty rate for Catalyst Paper Corporation. As a result of this determination, all subject merchandise that is produced and exported by Catalyst Paper Corporation is excluded from the order on supercalendered paper from Canada. Merchandise which Catalyst Paper Corporation exports but does not produce, as well as merchandise Catalyst Paper Corporation produces but is exported by another company, remains subject to the countervailing duty order.
3. Therefore, CBP is directed to terminate the suspension of liquidation for all entries of supercalendered paper from Canada for the producer /exporter combination below that were entered, or withdrawn from warehouse, for consumption on or after 04/24/2017. All entries of supercalendered paper for the producer/exporter combination below, that were suspended on or after 08/03/2015 should be liquidated without regard to countervailing duties (i.e., refund all cash deposits).

Producer: Catalyst Paper Corporation

Exporter: Catalyst Paper Corporation

Case number: C-122-854-004

Entries may have also entered under C-122-854-000

4. Notice of the lifting of suspension of liquidation of merchandise covered by paragraph 3, occurred with the publication of the final results of the expedited review (82 FR 18896, 04/24/2017).
5. The assessment of countervailing duties by CBP on entries of this merchandise is subject to the provisions of Section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments and assess interest on underpayments of the required

amounts deposited as estimated countervailing duties. The interest provisions are not applicable to cash or bonds posted as estimated countervailing duties before the date of publication of the countervailing duty order (80 FR 76668, dated 12/10/2015). Interest for entries made on or after 12/10/2015, shall be calculated from the date payment of estimated countervailing duties was required through the date of liquidation. The rate at which such interest is payable is the rate in effect under Section 6621 of the Internal Revenue Code of 1954 for such period.
